

SERVICE

Should you have a problem with your computer, it can be returned to MITS for repair. If the unit is still under warranty, any defective part will be replaced free of charge. The purchaser is responsible for all postage. In no case should a unit be shipped back without the outer case fully assembled.

If you need to return the unit to us for any reason, remove the top cover of your computer and secure the cards in their sockets with tape and fill the space between the case top and the cards with packing material. Secure cover and pack the unit in a sturdy cardboard container and surround it on all sides with a thick layer of packing material. You can use shredded newspaper, foamed plastic or excelsior. The packed carton should be neatly sealed with gummed tape and tied with a stout cord. Be sure to tape a letter containing your name and address, a description of the malfunction, and the original invoice (if the unit is still under warranty) to the outside of the box.

Mail the carton by parcel post or UPS--for extra fast service, ship by air parcel post. Be sure to insure the package.

SHIP TO: MITS, Inc.
 2450 Alamo SE
 Albuquerque, NM 87106

All warranties are void if any changes have been made to the basic design of the machine or if the internal workings have been tampered with in any way.
